New Bayshore Route
Will Be Direct Aid
To South City for
Future, Says Stickle

"Doy u think that the Bayshore highway will be of any direct and material benefit to South San Francisco?" was the question asked this week of Mr. Stickle, local contractor, who replied:

"I most certainly do. In the first place, it will mean that more people will come through the city. That will mean that the advantages of the town will be more widely known and that ultimately more people will move here.

"It also will be a great boon to the industrial district. It will supply a better and more direct highway for product shipping, both to the north and south, and will do much in attracting more industries here and encouraging those here to enlarge their plants.

"Whatever we can do in any way to speed up the work of the Bayshore highway will be of great help, and we should recognize in the Bayshore road a great medium of benefit to our community."

MOOSE LODGE TO HAVE XMAS TREE FOR THE KIDDIES

South City Lodge No. 832, Loyal Order of Moose, are making arrangements to have a Christmas tree and distribute presents to the children of all members in South San Francisco.

The Christmas party will be held in the Fraternal Hall Tuesday evening, December 22. No charge will be made, but only the children of Moose members will participate. Members are urged to register the ages and sexes of their children under 16 years with Lester Howard, secretary, box 327, at once, in order that proper presents may be purchased.

The "Totten Tots," who recently played at the family night program, will entertain at this big Moose Christmas party, which will be free.

Pacific College Defeats Stockton

FRESNO, Cal., Nov. 27.—The College of the Pacific of Stockton won the Thanksgiving game from the State Teachers College here by a score of 7 to 0. Only the cellar championship of the far western conference was at stake. The victory was the first registered by the Stockton school over the locals in five years.

THE CHRISTMAS BUYING SEASON IS NOW ON LET THE AD MAN PLAN THE WORK WITH YOU

Last week in the "Business-Getter Service" suggestions were made as to proper methods to be used in the preparation of copy for your advertisements.

Shall we now take up the question of "Seasonal Advertising?" As we all know Christmas is nearly here. The Christmas season is one of the greatest buying times of the year. On the other hand, we of South San Francisco are confronted with the fact that the stores of the adjacent cities are using every means at their disposal to tell our people of what they have. Not that they have better things or that they sell cheaper, but they have found by telling people of what they have that those people will buy from them.

And this teaches a lesson. We, too, now at all times of the year, should tell people here of what we have. The only means that is effective is through the newspaper

MOULDERS' WAR DEATH TRY IS TOLD IN COURT

Local Foundryman Tells Of
Attempt Made To Kill Him
In Controversy.

Echoes of the so-called moulders' war which broke out in the industrial districts of the bay region last summer were heard in the court of Justice of the Peace Ray Griffin Tuesday afternoon, when B. C. Smoker, a foundryman of South San Francisco, recounted incidents which marked an alleged attack on his life on September 18. Smoker was fired upon twice by a man armed with a shotgun but was not injured. He identified John H. Powers as being responsible for the shooting. Powers, who was arrested, was in court but was not called to the stand. Witnesses will be called early next month when the case will come up for settlement.

ELKS WILL HOLD CHARITY BENEFIT ENTERTAINMENT

Among those from South City who will be in the show are John Mager, A. McSweeney, Dave Ratto, John Meyers, A. Scott and J. C. McGovern. Members of the local lodge have tickets for the show and are urging their friends to aid in the work.

Burlingame Attorney Said To
Be Slated For State
Prison Board Job.

Judge Fletcher A. Cutler, city attorney of Burlingame, grand president of the Native Sons of the Golden West and one of the outstanding political figures of California, is being mentioned for appointment as a member of the state prison board.

There are two vacancies on the prison board, those of George Van Smith and John G. Mattos Jr., and Marin county news sources had it that Cutler would be offered one of the places.

The governor's office at Sacramento, however, declared that Cutler's name had not been presented and also that present indications were that no appointments would be made at this time.

Judge Cutler was a candidate for the state senatorship from San Mateo, San Benito and Santa Cruz counties a year ago and was supported by the governor's friends against Senator M. B. Johnson.

AVALON CLUB TO HAVE FEATURES AT FINAL DANCE

Much interest is being shown in the dance that the Avalon Club is intending to be their last dance of this year, by the numerous reports that have come in from various parts of the state which have been received by Leonard Rowe, the chairman of the dance committee. There indicate a tendency to have a record crowd, a duplicate of the success of their last dance.

Glen Marder, the leader of the orchestra, through Mr. E. McGraw, his capable representative, announces that he has something unique to offer the dance lovers of this vicinity, and is planning to surprise those that attend this dance.

Special car service is assured by the railroad company, so that our out-of-town devotees can be accommodated.

STREET PARADE MARKS FETE DAY OF NEW SOCIETY

Many New Members Initiated
at Ceremonies at All
Souls' Church

A monster street parade was held in South San Francisco by the Sacred Heart Society, Federazione Catholica Italiana Branch, No. 7, which was organized in this city recently. The parade was part of a day of celebration, which was marked by the initiation of a large number of new members.

The day was started with an Italian high mass said in All Souls' Church at 8 o'clock. The Maltese Choir of San Francisco furnished the music. The altar was decorated in the organizations colors of white and yellow through the offices of the young ladies of the All Souls' Catholic Church.

The excellent parade took place through the business district at 2:30 in the afternoon with the Santa Clara Boys Band furnishing the music, under the direction of Rev. Father Butler of Santa Clara. Following the parade a benediction was pronounced in the church.

The solemn and impressive initiation ceremonies took place at 6 o'clock and was followed by the serving of an Italian dinner to members of the organization and their visitors. A dance was held in the Fraternal Hall during the evening.

Visiting prelates who took part in the ceremonies were Rev. Father A. R. Bandini of Stockton, who is the grand president of the organization; Rev. Father J. S. Rocio of San Jose, Rev. Father J. FINAL DETAILS COMPLETE FOR BENEFIT DANCE

With final arrangements completed, the benefit dance for Joseph Biedbauer, which will be given Saturday evening, November 28, is assured of success, according to committee members.

The ticket sale has been large, but those who have not yet purchased tickets are urged to do their part for the affair. It is emphasized that this is not a charity event, but simply a move on the part of friends to aid a man, now incapacitated by illness, as a token of their esteem for him and the long and valuable service that he rendered the community as one of the members of the local police force.

STEEL WORKERS ANNUAL BALL IS HELD IN SO. S. F.

The annual grand ball of the Panama-Pacific Exposition Lodge, No. 1, Amalgamated Association of Iron, Steel and Tin Workers of America, was given Wednesday evening, November 25, at Fraternal Hall. A large number of people attended.

The dance lasted until 2 o'clock in the morning, an owl car service being provided to enable the dancers to have transportation home. Refreshments were served during the evening and turkey door prizes were awarded.

The committee in charge well arranged the details of the dance and with the excellent music that was provided a happy time was had by everyone.

GUESTS IN SAN FRANCISCO.

Mr. and Mrs. F. Cross of Grand avenue were dinner guests of Mr. and Mrs. W. Morton of San Francisco on Thursday.

Parents Fail in Moral Duty, Says Noted Minister

"From the standpoint of crime America is a stench in the nostrils of the world," declared Dr. Schwartz, Berkeley divine, to a large congregation at the dinner in the Community Church Friday night, as he flayed the American Home for its failure to give the youth of today moral training.

Quoting from President Coolidge's speech on lawlessness, that the remedy for crime "is in the minds of the people and depends on an existing fear of God and religion in the hearts of America," Dr. Schwartz maintained that it was a dangerous thing for people to look at their children and wash their hands of all responsibility.

Taking a very tolerant attitude toward the youth of today, in spite of the fact that the average age of the person in the penitentiary is but 23, Schwartz pointed out that the youth of today was not irredeemable, but that the fault was with the home.

"Each generation has a way of finding its own standard of values, its own method of what to accept, if the youth of today takes religion a little different than we do that does not mean they are wrong," said the speaker, "in fact, if each generation does not come out with something new that astonishes their predecessors, then there is something wrong."

A delightful dinner was served by the Ladies' Aid of the church and was greatly enjoyed by the many guests of the evening. That this was one of the finest meetings ever held in the church and of great benefit was the opinion of those who attended.

PLANS READY FOR POLICE SHOW DEC. 4

Fine Acts Secured By Burlingame Cops For Big Performance

Plans for the big vaudeville and specialty show to be staged by the Burlingame police department on Friday night, December 4, in the Burlingame high school auditorium are progressing very favorably, and indications are that a packed house will attend the evening's performance.

Vaudeville numbers from the big houses in San Francisco have been secured for the program and will stage their acts for the policemen's show just the same as if they were appearing on Broadway, New York.

Chief of Police Daniel J. O'Brien of San Francisco is aiding Chief of Police John J. Harper of Burlingame in securing the various big time acts that will be featured at the big show next Friday night.

Tickets have been going good for the performance, but there are yet many excellent seats in reserve and those who desire to see the big show can secure their tickets from any policeman in Burlingame or by calling at the police headquarters there.

The proceeds from the big show will be used to build a gymnasium for the policemen and to secure paraphernalia with which to equip the athletic plant.

MEXICAN WAYS SUBJECT OF A WOMAN'S MEET

Impressions gathered on a trip through Mexico were presented to the Women's Club at their Thursday meeting by Mrs. E. P. Kauffman, at whose home the meeting was held.

Mexican folk songs were sung by Mrs. Susie Butts of Burlingame, which met with the enthusiastic approval of the ladies. The telling of fortunes by Mrs. O. H. Ostland of San Francisco provided entertainment for the remainder of the afternoon.

Those who assisted Mrs. Kauffman in the affair were Mrs. E. Laursen, Mrs. G. W. Holston and Mrs. A. Hynding.

LOCAL MEN ARE FEATURE OF BIG MINSTREL SHOW

Scoring a real hit in their production, the Black and White Revue was presented by local men in the Fraternal Hall last Saturday night. The show was under the direction of Eddie Burke and was a high class performance.

The end men, L. G. Hardy, H. A. Raddatz, C. K. Elder and H. C. Colgrove, were especially good, with many new jokes, and with many excellent timely by-plays. Of especial merit was the musical program, which included as soloists A. A. Burnham, F. Dornay, C. K. Elder, H. C. Cosgrove, Bernard Hierpe, H. A. Raddatz and L. G. Hardy, Jr.

The second part of the program included various sketches, including a selection by Vivian Holbrook and Catherine Gaddini. A clever show, well produced, and with good variety, the Revue was one of the finest ever presented in South City.

WARNING IS ISSUED AGAINST SPECULATION

Surveys Now Being Made Will
Determine Fate Of San
Mateo-Hayward Bridge.

Representatives of Frank C. Town, holder of the San Mateo-Hayward bridge franchise, today issued a warning to the public against wildcat investment on the strength of the bond which they filed with County Clerk Elizabeth M. Kneass. A statement issued today follows:

"It has come to our attention that numerous people are buying up real estate in the neighborhood of our proposed terminal because we have started the surveys. We want it clearly understood that we have made no promise to build the bridge and our bond merely means that we will carry to a conclusion the necessary surveys to determine if the bridge plan is feasible.

"The people who are back of this Little Coyote surveys and project are highly trained business men. They are putting their money into the proposition for the purpose of winning a fair return on their money. The surveys now under way are being made for the purpose of determining just how much money it will require to build the bridge.

"If it is found through these surveys that the bridge can be built at a cost not considered prohibitive, work will immediately start on construction. On the other hand, if the bottom proves too soft there will be no bridge across the bay at this point. This is a strictly business proposition and we want the public to thoroughly understand this fact. Our surveys are not completed we can make no definite statement that the bridge will be built and until such a time it will be wise for real estate investors to be extremely careful regarding purchases on the speculation that the span will cross the bay."

WOMEN'S CLUB PLAN ANNUAL JINKS PARTY

The "Annual Jinks" of the Woman's Club of South San Francisco will be held in the clubrooms on December 3, according to announcement by officers of the organization.

Lunch will be served for the members at the clubrooms, a charge of 50 cents per plate being planned. A novel program of entertainment has been arranged by the committee in charge to follow the program, and it is indicated that the jinks this year will introduce several new features.

PLANNING SALE.
The Ladies' Aid of the Methodist church, are planning a fancy apron sale to take place around the first of December. Notice of place of sale will be announced later.

MANDAMUS WRIT SOUGHT IN SOUTH CITY RECALL FIGHT

Suit Filed Tuesday Afternoon
In District Court Of Appeals In S. F.

RETURNABLE NOV. 30TH

Suit Filed In Higher Court To
Prevent Appeals and
Other Delays.

The fight to force the recall election against Mayor H. F. McNellis and Trustees Hugh McCaffrey and Carl Blank of South San Francisco was carried to the district court of appeals in San Francisco Tuesday afternoon when Attorneys J. W. Colclander and Ross filed suit for a writ of mandamus compelling the majority members of the board to set a date for the election.

Following the filing of the suit, which is brought in the name of D. W. Ratto and others interested in the recall fight, Judge John F. Tye issued a citation ordering the entire board of trustees to appear on November 30 and show cause why they should not be compelled to call the special election.

At the last meeting of the board of trustees, City Clerk Dan McSweeney certified that the petition for a recall election contained sufficient eligible names to warrant the calling of a special election. The trustees decided otherwise, however, and postponed action until the next regular meeting.

The postponement was made in face of declarations by Attorney Colclander, representing the petitioners, and City Attorney John W. Davis that the law compels the trustees to call the election as soon as the city clerk certifies that the petitions bear the required number of signatures. Members of the board explained that they had information that not all of the names on the petition were genuine. Their action greatly angered the audience that crowded the meeting room and shouts of "traitors" rang through the hall. Chief of Police Charles Storek was called upon to restore order.

Will Prevent Delay.
Attorney Colclander today explained that the suit was filed with the district court of appeals in San Francisco instead of in the superior court at Redwood City to prevent delay. If the superior court issued the writ of mandamus it would be possible for the trustees to appeal to the district court and thus delay action for several weeks. This, will be impossible with the filing of the suit in the higher court.

The present political battle in South San Francisco has been one of the most bitter encounters of the kind in the history of San Mateo county. It started with a move to oust Chief of Police Louis Belloni several months ago. This move was met with the filing of recall petitions which were later invalidated through lack of enough qualified signatures.

Belloni Ousted.
Later, however, Chief Belloni was summarily ousted, as was Police Officer Walter Miller. The pair were given two hours' notice to vacate their office and Chief Storek was installed as head of the police department.

Friends of Belloni, headed by Ratto, incensed over the dismissal of their favorite, got out recall petitions which were filed with City Clerk McSweeney and later verified by him to the board as containing sufficient signatures to warrant the calling of a special election.

Suits Are Filed.
One feature of the long drawn out fight was the filing of three slander suits in which damages amounting to \$185,000 are sought. Mayor McNellis directed a suit for \$35,000 against John Costa, while Trustees Blank and McCaffrey each seek to recover \$75,000 from Ratto. Alleged defamatory statements are cited as reasons for the filing of the suits.

SPORTS of the WEEK

SHEET STEELS STILL HIDING IN THE CELLAR

New Line-Up For Locals Fails To Deliver Team From Basement.

In a game devoid of thrills, the Pacific Sheet Mill baseball team bowed to defeat to the Ames, Harris & Neville nine at Balboa Park last Sunday morning. The final score of this listless game was 10 to 1. Hylander, pitcher of the Ames-Harris troupe, twirled a good, steady game, allowing two bingles and only one tally.

On behalf of the steel team it can be said that they were short their usual stars and are experimenting with new talent. All things considered, they did remarkably well. However, it took Chick Hughes to stop the onslaught of the Ames-Harris rally. Chick went into the box in the fifth inning and pitched the remainder of the game. He allowed nary a run and only one hit.

NORTH BEACH HELD EVEN IN GAME SUNDAY

Scoreless Tie Chalked Up for Tigers in Hard Fought Game

Playing without their stellar center, King, the California Tigers of South City journeyed to Golden Gate Park Sunday and battled the powerful North Beach eleven to a 0-0 tie.

Brilliant use of the forward pass proved the salvation of the Tigers, for they completed two passes for a total gain of 50 yards, while the North Beach squad could only gain five yards on the pass that they completed. The beach team pushed over eight first downs to the Tigers' seven.

The next game of the Tigers will be with the Daily City Bears, a return game, to be played on the local field in the Willows this Sunday. Everyone is welcome to attend.

The lineup for the Tigers is announced as follows: Earnest Bonalanza, left end; "Tibs" Signorelli, left tackle; Ernest Murate, left guard; Ernest Robinson, center; Charles Switzer, right guard; Elmer Vaccari, right center and captain; Willard Duke-man, right end; Charles McGuire, quarter; Adolphe Medezini, left half; Neil Sullivan, right half, and Donald Johnson, fullback.

Merchants' Manager Uses Head To Beat Presidio Players

Playing in the opposing team's back-yard, the South San Francisco Merchants defeated the Infantry Co. C. last Sunday afternoon by a score of 7 to 4. This game was the most interesting one played on the Presidio diamond, since the mid-winter league had been under way, as was voiced by the thousands of spectators, Welte pitched stellar ball for the local lads, while Conyer for the army, lacked the support that were behind "Jazz."

How much credit cannot be given to Mugsy Ringue, the outstanding manager of Class B division. He has taken a bunch of sandlot indulgers, moulded them into major league caliber, by teaching them the innermost secrets of the national pastime. In the game with the soldiers, "baseball craftiness" was personified, but reached its peak in the sixth inning, when Mugsy used his head in a deep play. A fast ball hit by Bryant, of Co. C, ricocheting off our manager's cranium, went for a foul, which in all probability would have meant a run, as it had a "home run" written all over the leather.

PERSHING HOPES TO RESTORE PEACE NEGOTIATIONS PREPARATORY TO BIG PLEBISCITE DESPITE WITHDRAWAL

ARICA, Chile, Nov. 27.—United States General John J. Pershing, in charge of arrangements for the Tazma-Arica plebiscite, believes the strained situation surrounding the preparations eventually can be solved.

Though his optimism has not been shared in other quarters here, he told the United States. "While certain difficulties have arisen as to the conduct of the plebiscite, owing to radical differences of views of the two governments (Peru and Chile) primarily concerned, it is believed these difficulties can be resolved through discussion and that a settlement can be eventually reached."

Yesterday's Arica messages indicated a collapse of the negotiations was apparently unavailable. Chile has decided to sit in the plebiscite commission meetings temporarily, supposedly because of dissatisfaction with the agenda.

SOUTH CITY HI COURT PLAYERS LOSE FAST GAME

Failure To Sink Free Buckets Fatal To Local Light-weights.

Playing San Mateo on the San Mateo court, the South San Francisco high school lightweight teams lost by the scores of 15 to 7 and 15 to 11. The 110-pound aggregation lost due to their inability to make their free throws good. Out of a possible thirteen free throws, only three were actually made, which is certainly below par for our boys. The 120-pound five played a faster game, but were handicapped by the size of the San Mateo court.

Both local teams this season have been playing fairly good basketball, the lighter team winning four games and losing two. The heavier court won three and lost three. The season is practically over, so we will have to be content

STANFORD HEAD FLAYS ILLEGAL FIELD PLAYING

STANFORD UNIVERSITY, Nov. 27.—Reports of alleged rough playing on the part of University of Washington footballers during their games with Stanford and California today were held responsible for a statement by Dr. Ray Lyman Wilbur, president of Stanford, criticizing officials who permit "illegal" playing.

Dr. Wilbur states that while he did not see either the Washington-Stanford or Washington-California game, he bases his opinion on statements from men "upon whose observation I place full reliance." The president requests athletic managers of Stanford to bar officials "who should have controlled this illegal playing" from handling future games in which the Cardinals participate.

OIL STATION IS ROBBED BY MASKED AND ARMED BANDIT

\$65 and Script Books Stolen From Shell Oil Company's Station.

NO TRACE OF ROBBER

Bandit Believed To Be Same One Who Held Up Station Short Time Ago

Tuesday night at about 10 o'clock a lone highwayman at the point of a revolver held up and robbed W. T. Tolman, apartment 4, 38 B street, San Mateo, of the receipts of the day at the Shell Oil company's service station, Crystal Springs road and El Camino Real. The bandit's haul amounted to about \$65 and three script books. The books were in the names of Dr. W. C. Chidester, Blue Bird Drug company and F. B. Hussey.

According to the police reports of the affair, Tolman had just counted the cash receipts for the day and had placed them in a sack in his lunch basket, together with the three script books. Just as he had finished the task, a man entered the service station, pointed a gun at Tolman and demanded the money. Tolman says that he remonstrated with the highwayman, but that the latter threatened to shoot to kill if Tolman resisted, made any outcry or delayed in turning over the money to him.

Robber Gets Money
Tolman says that he complied with the highwayman's commands and turned over the sack in which was the day's receipts and the three script books.

The highwayman then, according to Tolman, forced him into the ladies rest room, ordering him to remain there until he secured his automobile. The highwayman told Tolman that his machine was parked a little ways up the Crystal Springs road.

Machine Not Seen
Tolman in his statement to the San Mateo police told them that he waited a short time in the ladies' rest room of the service station as ordered by the highwayman, but that when he felt it was safe he emerged and peered up the road to the spot the highwayman indicated that he had his automobile parked. Tolman said he did not see any car parked and that he did not hear a machine drive away, but that he heard the footsteps of a man running down the Crystal Springs road.

The service station attendant then said he stopped a car on El Camino Real, told the driver of the holdup, requesting him to immediately inform the police.

When Chief of Police Thomas F. Burke was informed of the holdup he immediately dispatched all available policemen to the scene of the robbery, but no trace of the highwayman could be discovered.

Good Description
Tolman gave Chief Burke a detailed and minute description of the holdup man. According to the statement given the police by Tolman, the bandit wore a handkerchief over his face, but he said he got a good look at the man's complexion, hair and eyes, his general appearance, and he turned a complete description of the holdup man over to the authorities.

Members of the local police department believe that the man who held up the Shell Oil company service station last night is the same man that held up the Associated Oil station here a few months ago.

Miss Christine Michelson became the bride of Mr. John Albert Hume at a pretty wedding at St. Maximus Church in Daly City last Thursday evening. This was the first wedding in the new church and Father Donohoe officiated. The bride, who was given in marriage by her father, was beautifully gowned in georgette embroidered in silver and wore a French tulle veil five yards long. She carried a shower bouquet of bride's roses and lilies of the valley. Mr. Bert Hume, brother of the groom, was best man. The bridesmaid, Miss Rose Holland, wore an apricot georgette dress and carried a shower of Cecil Bruner roses. Following the ceremony a wedding supper was served at a downtown hotel. Mrs. Hume is a member of El Carmelo Parlor, No. 181, Native Daughters of the Golden West, and of El Carmelo's drill team. The many friends of the young couple wish them all happiness.

How Many Homes Have You Paid For?

And how many homes do you own today? Recently a man came into our office that had decided years ago to apply his rent money toward the payment of a house. He soon rented the house to another fellow and his rent paid the balance on the house. He bought himself another one and another one, until today he owns several homes and has quit work. The rent money he now collects means a substantial income to him. The future is sure, bright and smiling for his wife and children.

A FAMILY CHRISTMAS

Now that we have given thanks to the Lord for the blessings that he has bestowed upon us during the past year and have asked his guidance for the future, our thoughts stray to that symbol of love and promise, the Natal Day of Christ, Christmas.

And could we not this Christmas think less of it as a mercenary affair and more as a time in which to remember our Lord's teachings of brotherhood and with a finer spirit and a heart freed from thoughts of enmity toward our fellow man face the coming of the new year?

And even in the mercenary end of the day let us carry a remembrance of friendliness for our neighbor. When we purchase those gifts by which we express our esteem for those dear to us, shall we not, in keeping with the spirit of the day, first go to our neighbor who has his business here in South City and see if he cannot supply our needs. And if we do that we will find that in almost every case not only will we have found the gift we wanted, but also that we have established a finer spirit of co-operation and friendship right here at home.

Just think it over and see if we cannot make this Christmas time a one in which South San Francisco will celebrate as one big family, working together, shopping together, and together sharing the happiness of the day.

FLOWERS AND FAMILIES

The bringing in to a community of new families is one of the most important parts in the growth of a city. Unless new families do come in we cannot hope to build our city nor will business increase as it should. It would be well to consider ways by which people can be attracted to a community and get some action to bring people here.

One way is to have an attractive town. South San Francisco is well known as a good business town with a big payroll. It is sufficiently well known to have people come to see what is here, but when they come what do they find? That the business conditions are fine, that the payroll is excellent, that the future looks promising, but—

We might as well face the music and realize that the consensus of opinion on the part of outsiders is that South San Francisco is unattractive as a residential city. And this fact alone keeps many families from making their homes here.

This is nothing to become downcast over or to feel pessimistic about.

If we can frankly realize that one of our needs is to make the city more attractive from a residential standpoint there is nothing in the world to hinder us from getting together and making it an attractive.

It would be well if the chamber of commerce, working with the city board, would map out a program and present it to the people by means of which this phase of the city's needs can be met.

It is surprising what a few trees and some grass, plus a little money spent on paint will do to dress up a town. Our park program should also be carried out. We must go ahead on a program to attract people here and do it on a business-like basis. We must have more families. Let's go after them.

TWO VIEWPOINTS

"Well," says the cynic, "it was only a dinner with some speeches afterward. We were all bored and said a lot of silly things we didn't mean and then went home and gossiped about our neighbors."

But the cynic's point of view is only one side of the question. We wonder if he ever thought of the other; that the very spirit and life of the community is based upon just these banquets and meetings that he so maligns?

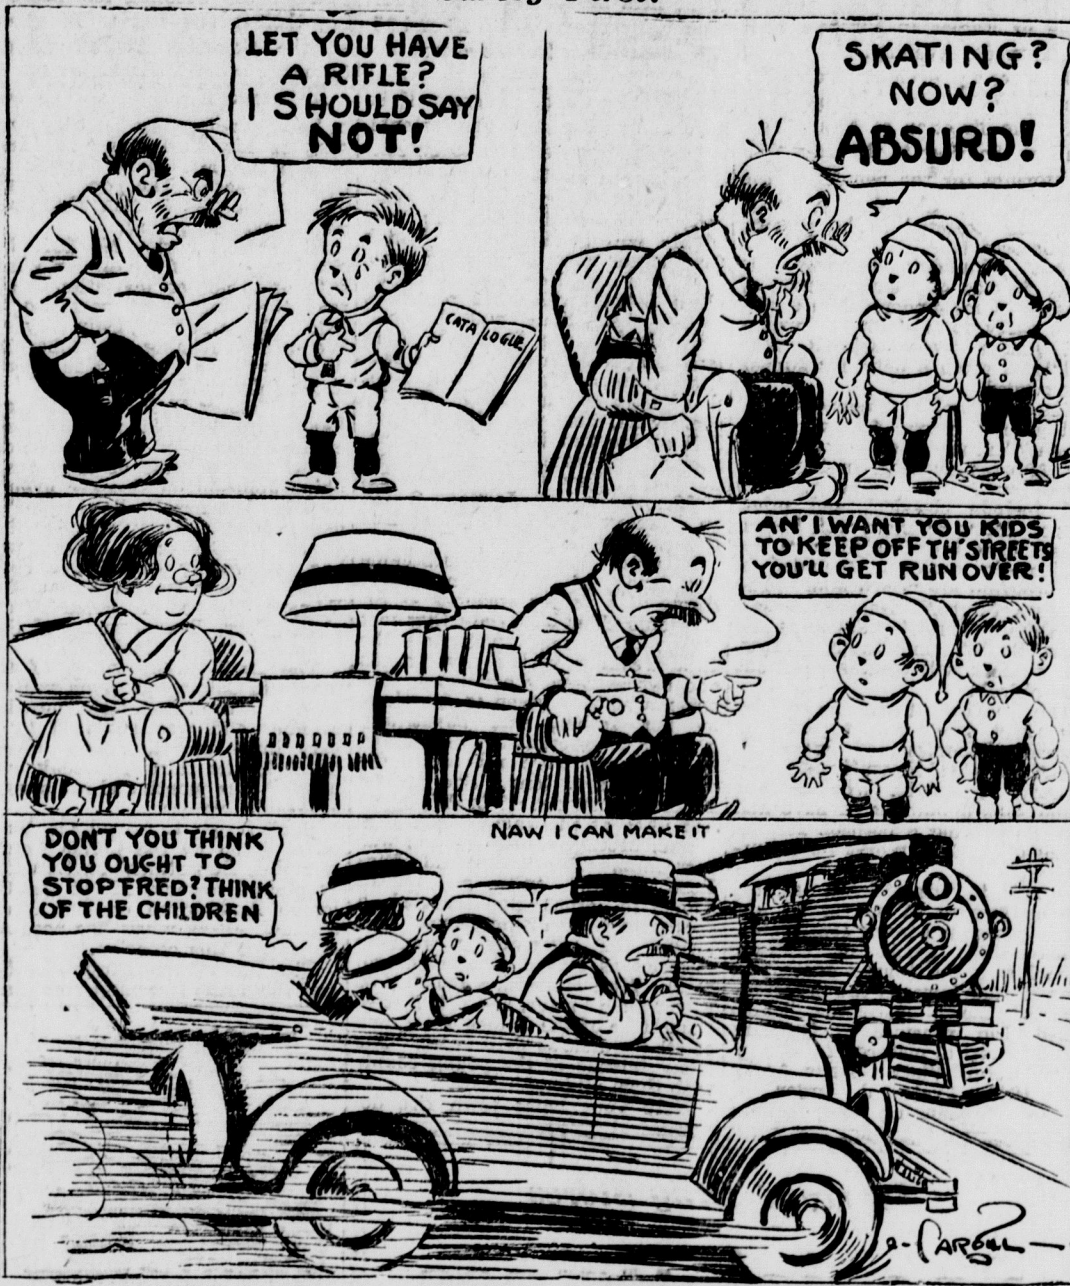

For where else can those contacts of friends and neighbors be made than just as such affairs? Where else can we gather in friendly spirit to plan, and live, and develop? Would that their could be more of these meetings where neighbor rubs shoulder with neighbor and happy laughter mingles with solemn talk.

Learn to live, friend, by taking your part in the activities of the community and you will find greater fulfillment of life and that your city is a happier place.

If income taxes are reduced much more, the simplest way out of it will be to make an honest tax report.

FAMILY, ACQUITTED OF MURDER OF RELATIVE, RETURNS HOME TO LIVE DOWN STIGMA OF ACCUSATION

WAUKEGAN, Ill., Nov. 27.—Clara Harco, her husband, Albert, and her stepfather, Arthur Holt, returned to their homes today, determined, in the words of Holt, to "live down the stigma of our trial." The three were found not guilty of murdering Holt's middle-aged wife, and were set free. The jury verdict was returned last night after deliberation of five hours.

Mrs. Lillie Holt died in her Fox Lake home September 20. It was

the contention of the state that she was murdered by her husband and her daughter, Mrs. Harco, and that the alleged crime was committed with Albert Harco's knowledge. Holt, according to the state's theory, was in love with his wife's daughter, and when Mrs. Holt—who was much older than her husband—objected to his attentions, she was murdered.

The defense was based upon the claim that Mrs. Holt committed suicide after a family quarrel.

At The CHURCHES

COMMUNITY M. E. CHURCH.

The holiday season is well under motion. The Community church has a program that covers the period between Thanksgiving and Christmas, closing with the final Christmas tree celebration on Sunday evening, Dec. 20.

In the evening, next Sunday, November 29, the sermon topic will be "The Great Shepherd." There will be special music, and an evening of restful worship.

At the morning service the pastor will speak on the subject, "Trade Upstairs and Save." Mrs. Byrnes will not be in the city to sing the soprano solo advertised for Sunday morning, but the quartet will furnish music for the occasion.

The Sunday school meets at 10 o'clock in the morning. Superintendent Bolliger and Assistant Superintendent Almquist of the upstairs department are planning for exceptionally good classes during this coming month. Children are asked to bring their Bibles for the Sunday school classes and for the Bible drill given by the pastor at the close of each service.

The Epworth league will be led this Sunday evening by Mrs. Lindsay. The close of the Win-mychum campaign is now at hand. The intermediates are growing and

GIRL'S LEAGUE PARTY PROVES A BIG SUCCESS

Vain Students Pay Fines As Sinner Judge Rules In Court.

The Girls' League party, which was held last Friday night at the high school, was a tremendous success.

At 7:30, students who were dressed in old clothes, whose hair was rumpled and whose faces were smudged, and parents registered at the door, paid ten cents admission and joined the Girls' League in a "hard times party."

Those who were not "dressed up" had to pay fines. Those who had gold teeth or marcelled hair were charged for their conceit and our art teacher, Harold Ansley, was fined fifteen cents for tardiness.

A force of twelve policemen, working under Chief of Police Poytress, arrested law breakers right and left. Mr. Anderson, a dignified judge (chief justice, in cap and gown), held court. Each officer of the law brought forth his victims and they were justly tried and sentenced.

Some of the "law breakers" and their various charges and fines were: Dorothy Truax, charged with flirting with Albert Luty, was fined twenty cents. Mr. Luty paid the fine. Mr. Truax was fined for flirting with Miss Maple. Mr. Norman was the most unruly vagrant, having to appear in court three times during the evening. He was first charged with "rowdiness" and "resisting the law," for which he was fined twenty cents. He objected and was fined 15 cents for "disorderly conduct in court." During the course of the evening Mr. Weller was fined for "flirting" with Miss Pedretti; Harold Davis for "contempt of court," and Fire Chief B. Truax for noisy demonstration during the performance.

Mr. Hunter auctioned off the Christmas packages, which had been made up by members of the Girls' League. The contents of these afforded a great deal of amusement.

After the program, various concessions were started. There were booths for "boys only" and for "girls only"; games of "test your skill," 25 or bust, bean bags, and donkey's tail, and a gypsy told your fortune.

The students then cleared the auditorium of chairs, confetti and serpentine and enjoyed the free dance.

The proceeds from the "hard times party" will go toward furnishing the girls' and boys' guest rooms in the new gym. About \$53 was cleared on the party.

The Girls' League wishes to thank all the students and parents for helping to make the party one to be remembered with pleasure, both as a social and as a financial success.

will have a Christmas party very shortly.

Ether Wave Club

It seems as if this splendid club has evaporated. True, at the beginning of the term, it was supposed to be started, but little was heard of it. Finally, it was discovered that the students took no interest in the club so the consequence was its breaking up.

Last year Mr. Holt did splendid work with this Radio club, but now it is never heard of. Is the reason that the boys have lost interest in radio so soon? Why can't we prove our worth in radio this year as the member of the past years have? It was published in the 1925 edition of the "Iris" that our High School Ether Wave club was about ready to have a broadcasting station, so why can't the boys renew the spirit and go through with it with flying colors?

Come on, boys, show them that you can keep up this organization and put South City hi on the radio map.

GIRLS' TEAMS SPLIT DOUBLE HEADER GAME

The girls' 125-pound basketball team and unlimited team traveled to San Mateo last Friday.

The 125-pound game was a very exciting game. At the end of the half the score was a tie, 11 to 11. Our girls went into the next half determined to win. First one team would score, then the other, until the San Mateo girls got tired and our girls scored 23 to 19 in our favor.

Some of the girls who deserve praise for their playing are: Katherine McLeod, for scoring with the good pass work of Geraldine Castro. Geraldine possesses the ability of taking a dribble and bounce which few girls can do. Enes Tachi played a good game as side center, and Marion Cavassa showed a great improvement from the last game.

The unlimited girls were not so fortunate. Our girls are of average height and weight, while the San Mateo girls are unusually tall. The girls played a good game, but San Mateo threw high balls and had the advantage of putting in fresh girls. However, our girls played hard and scored 10 points to San Mateo's 22.

SOUTH CITY HAS FINE PROSPECTS IN BASKETBALL

On Monday last, candidates for the unlimited basketball team of the local high school reported for the season's first practice, under Coach Frank Poytress. The unlimited possess a wealth of diversified material, and Coach Poytress has hopes of whipping them into some semblance of championship class.

It is around "Pop" O'Connell, "Snub" Benne and Jean Dotson, veterans, that Coach Poytress expects to build a team. He has splendid prospects in Marcel Thomas, Levio Raffaelli and Harold Davis of last season's 130-pound team. Beltrami, Bogle, Ghilardi and Ward, though of lesser renown, are striving hard to earn a place on the team.

THE 310-POUND CAGE TEAM HAS FIRST PRACTICE

A call for the 130-pound basketball players at South City high was issued last Friday by Coach Honey. At 4:15 a bunch of good looking prospects turned out and a short snappy practice was held for about 40 minutes. Coach Honey says his boys look like strong contenders for the championship this year. The team has three veterans of last year's 30's. They are: Volonte, guard; Felsenthal, guard; Lopez, forward. Besides these, they have L. Fischer, Capitelli and Bottini as guards; Mummert, Lity, Enderlin, Lloyd and Holbrook for forwards; and R. Fischer for center.

NEW FREIGHT AND PASSENGER AIR LINE PLAN IS ANNOUNCED TODAY BY CORNELIUS VANDERBILT, JR., AT DETROIT

DETROIT, Mich., Nov. 27.—Development of commercial aviation along national passenger and freight lines received added impetus here with announcement by Cornelius Vanderbilt Jr. of New York that plans have been perfected to equip principal air lanes with standard terminal facilities, to be known as "the Vanderbilt airports."

Following conferences with leaders in the airplane industry here, Vanderbilt late yesterday authorized a statement through the United Press that a national airport program had been launched. In addition to ports already established at Jacksonville and Daytona, Fla., Vanderbilt said, four new fields will be ready within 30 days at Palm Beach, Miami, Tampa and Orlando.
